Notes for Alexander Armstrong Lynn Logan:

Listing of #3 child to #7 child from 1860 Linn Co. Ks. Federal Census. Middle Name on Census was H. Another researcher has A. I suspect this is from "The History of Indian Territory", probably an accumulation of histories sent in by the families. I think this book is out of print, but I am trying to locate it. Also in this review it states that William moved with his parents to Iowa in 1854, then on to Washington County Iowa the "succeeding" year, after which they removed to Linn Co. Kansas, where Alexander & Parmelia/Cornelia died. "Both died in Kansas" Their "marriage was celebrated in Indiana" It also stated that Alexander was born in Kentucky.

Note children #3 to #7 is speculation, I have not proved one way or the other.

Son of Bart(?) Dardenne b ?

The only thing I know is that Bart (?) married Louise Imbeau and had son Charles. Bart died sometime during the Civil War as did Louise, leaving Charles an orphan. He was raised as Charles Durdan, until the time that Martha Imbeau Logan left monies to Charles' children.

Notes for Hannibal Hamlin Logan:

An Answer to my Query on Genforum:

thank you for your reply. Nettie May Logan is the daughter of my Hannibal Hamlin Logan. On the FHLC

(Mormon records) it does list a Hannibal Logan born to your Alexander and Pamela Logan and it lists the same year of birth as mine, 1849. To date

I have not been able to verify where the info on this family group listed came from but—the year of birth IS the same.

My Hannibal Logan married a Harriett Preston, had at least four children, he died young and Harriett went on to marry a man named Wilson and had at least 4 children with him.

Do you have any documentation on the family group record for Alexander and Pamela??? Where they lived and where their children were born?? At least it would give me a place to start to look for my Hannibal. I have had no luck on this family line, hope you might be able to shed some light on them.

Thank You,
Marsha
